

# Demountable Super Yacht Containment

**Project Overview** - Devonport Dockyard required a semi permanent building that could be used for the assembly and painting of a uniquely designed super yacht. The front wall of the structure was easily demountable so the yacht could be moved in and out of the building

**ES Group's Role** - ES Group was contracted by Devonport Dockyard Ltd to design, procure and install the temporary structure

**Project Title** - Demountable Super Yacht Containment

**Client** - Devonport Dockyard Ltd

**Designer** - ES Group Ltd

**Engineers** - Buro Happold

**Location** - Devon, UK

**Project Value** - £250,000

**Project Duration** - 12 weeks

**Project Completion** - March, 2001

**External Footprint Area** - 1,020m<sup>2</sup>

**Build Period** - 3 weeks

**Construction** - ESS steel truss, fabric, aluminium
